

MEDICAL

BENSON'S

Capeine Porous Plaster!

A Great Improvement
on the ordinary porous plaster.

The manufacturers received the highest and only award given to Porous Plasters at the Centennial. We warrant Benson's Capeine Plaster to be superior to all other Porous Plasters and to all liniments.

ASK THOSE WHO KNOW

Ask any physician if Benson's Capeine Porous Plaster is not the best plaster in the world. This remarkable article was invented to overcome the great objection always found to the ordinary porous plaster of slow action in bringing relief.

LAME BACK.

For lame and weak back, rheumatism, troubles of the spine and kidneys, it is a truly wonderful elixir. Physicians have been requested to get samples of this new and powerful Remedy and all liniments. It relieves pain at once and cures quicker than any known plaster, liniment or compound.

CAUTION. THERE are dangerous and worthless imitations of Benson's Capeine Plaster on the market. The genuine have the word "Benson's" printed through each plaster. Sold by all druggists. Price 25 cents.

THE ONLY 25 CENT AGUE REMEDY IN THE WORLD,

THERMELINE

Eight lines of solid compared constitute a square.

Displayed advertisements will be charged according to the space occupied, at above rates—bearing twice lines of solid type to the inch.

To receive rates we offer superior inducements, both as to rates of charges and manner of displaying their favors.

Local notices twenty cents per line for first insertion; ten cents per line for each subsequent insertion.

Communications upon subjects of general interest to the public are at times acceptable. Deleted manuscript will not be returned.

Letters and communications should be addressed "Cairo Bulletin, Cairo, Illinois."

JNO. H. OBERLY, General Manager.

GOOD NEWS

FROM OUR DELIVERER—THE PRESIDENT OF THE STATE BOARD OF HEALTH BELIEVES OUR LOCAL BOARD OF A VERY ONEROUS AND EXPENSIVE DUTY.

The following letter from President Ranch of the Illinois board of health, was received by one of our citizens yesterday. It will be seen that all southern bound boats starting from St. Louis and intending to touch at Cairo, must be quarantined at the former city. This takes the quarantine, so far as boats from St. Louis are concerned, out of the hands of our board of health, and saves the trouble and expense of inspection:

ILLINOIS STATE BOARD OF HEALTH, CHICAGO, ILL., August, 20th, 1878.

MY DEAR SIR.—It was my intention to have started for Cairo to-night, but am not well enough. Hope to start on Sunday night. On Wednesday morning I telegraphed the health commissioner of St. Louis to see that all boats going south, that intend to touch at Cairo, had the proper quarantine certificates, so as to interfere with trade as little as possible. Hoping soon to see you, I am, very truly yours,

JNO. H. RAUCH.
